

## AT HOME with *Canada's Ballet Jörgen!*

CBJ is offering virtual master classes & repertoire classes for studios via Zoom.

### Virtual Ballet, Coaching, Pointe and Stretch & Strength Classes

A CBJ Company dancer will teach a class via Zoom, personally designed to best fit your students' virtual training needs! Classes can take the form of a traditional ballet class or choose to focus on perfecting and strengthening specific elements in a Coaching class. All of our artist teachers aim to share their incredible wealth of expertise and experiential knowledge from their career. This virtual training is a wonderful opportunity for students to be inspired anew and delve deeper into their training!

This program is for ages 8 and up, and generally grouped in the following ages/levels: ages 8-11, ages 12-14 & ages 15 and up. We are happy to adjust these levels to best suit your school and students.

### Repertoire Class

What is it like to become 'Anne' or 'Cinderella' or 'Von Rothbart'? Students will have the opportunity to learn all of the intricacies involved in learning repertoire in the context of a full ballet – an important skill in becoming a dancer! The CBJ dancers will take the students through the paces of learning choreography, applying musicality, personality and precision to their role – thus learning about the trade of working as a dancer and telling a story with movement.

This program is for ages 12 and up, and generally grouped in the following ages/levels: ages 12-14 & ages 15 and up. We are happy to adjust these levels to best suit your school and students.

### Online Format

These classes take place online, via zoom, so are an excellent class alternative given the current physical distancing measures and travel bans that are in place. The classes are designed for small spaces - perfect for students to take from home!

Bookings are open and available to studios internationally. Please contact us for further details and availability.
