Canada's Ballet Jörge'n's continues to closely monitor the COVID-19 situation, and our primary concern is for the health and safety of our artists, staff, and patrons.

Based on the recommendations of the appropriate health authorities, **we have extended the postponement of scheduled performances through November 1, 2020. This includes all performances in CBJ's Fall Tour of *Anne of Green Gables – The Ballet™*.** The full list of rescheduled performance cities and dates is below.

Although the COVID situation has temporarily halted our performance schedule, the Company dancers have returned to the studios for daily class and look forward to being ready to return to stages across Canada when the situation allows.

We are continuing to focus on delivering a range of programming on-line and to release new dance content on the Company's YouTube channel. Visit [CBJ Interactive](#) to stay up to date on all of the Company's new virtual projects.

COVID-19 is having a major impact on arts organizations across Canada and around the world, and **we hope that you will consider making a tax-deductible donation to Canada's Ballet Jörge'n to support our new online initiatives and** to help ensure we can continue to make professional dance accessible in communities across Canada.

Please visit canadaballetjorgen.ca to donate and for the most up to date information on future performances and programming.

Thank you for your understanding.

Bengt Jörge'n, C.M.
Artistic Director
