Due to the continued restrictions in place related to COVID-19, all in-person CBJ performances have been postponed. The health and safety of our artists, staff, and patrons remains our primary concern and we will resume in-person programming as soon as it is safe to do so.

Although the COVID situation has temporarily halted our performance schedule, the Company's dancers are safely back in the studio creating a range of new works and we are continuing to develop and launch exciting new online initiatives.

Visit [CBJ Interactive](#) to stay up to date on all of the Company's new virtual projects and visit our [Virtual Dance Academy](#) page to get more information on our new online classes for all ages (including adults)!

COVID-19 is having a major impact on arts organizations across Canada and around the world, and **we hope that you will consider making a [tax-deductible donation](#) to Canada's Ballet Jörgen to support our new online initiatives and** to help ensure we can continue to make professional dance accessible in communities across Canada.

Please visit canadasballetjorgen.ca to donate and for the most up to date information on future performances and programming.

We look forward to returning to a stage near you soon!
